

CLEMENT MABILA

FULL STACK DEVELOPER

INTRODUCTION

I'm Clement Mabila, a passionate full stack developer with a diploma in Computer Science from Tshwane University of Technology. With a strong foundation in both front-end and back-end technologies.

EXPERIENCE

Full Stack Developer at Ability Assist Corp | Jan 2024 – May 2024

- Developed and maintained web applications using Django and React.
- Implemented RESTful APIs for seamless front-end and back-end communication.
- Collaborated with cross-functional teams to deliver projects on time and within scope.

Web Developer Final Software Development | Jan 2023 - May 2023

- Assisted in the development of e-commerce platforms using JavaScript and PHP.
- Conducted code reviews and performed unit testing to ensure code quality.
- Participated in Agile sprints and contributed to project planning.

EDUCATION
